Scenario: Living in an occupied city you maintain a low profile to continue recording the crimes of occupants. It is a beautiful day and you
decided to visit an elderly couple living in your neighborhood. Stepping to their garden, you realize that a gang of drunken militants have taken
the elderly couple hostage and it is evident that if you don't act fast, they will likely never be seen again. You decide to ditch your low profile
status and help your neighbor. Procedure: Standing in P1, hands at side. At the signal, engage targets T1-T4, with three rounds each. P3 is
low cover. Shooters may shoot over the barrel from P3 as long as one knee is on the ground.
